

Press Release – For Immediate Release

March 1st, 2018 - Safety Express Ltd, an Aramsco Company, is pleased to announce the acquisition of the Norclean family of companies. Norclean, based in Calgary, is the parent company to Fibreclean Supplies Ltd. and Esteam Manufacturing Ltd. Both Fibreclean and Esteam will continue to operate under their existing names and with their current teams.

“We are excited to partner with Tim Hendrix and the entire Fibreclean and Esteam teams. They share our strong belief in providing customers with an exceptional experience. Our focus will be to work together to continue to provide an outstanding customer experience, while also leveraging the additional solutions and services the combined companies have to offer our customers,” says Kelly Robertson, President of Safety Express.

“We are excited about the combination of strengths and culture in the joining of our two organizations. Fibreclean and Esteam’s commitment to the customer service experience is shared by the Safety Express group and we look forward to continuing to provide the industry’s best products and services to our combined customer base,” says Tim Hendrix, President of Norclean.

About Fibreclean and Esteam

Fibreclean is a leading provider to the professional carpet cleaning, and restoration industries across Canada.

Founded in 1978, Fibreclean is celebrating our 40th Anniversary in 2018.

“We believe in partnering with our clients to secure our future success together”. Fibreclean provides equipment, chemicals, parts, accessories and service to professional contractors in many industries, including carpet and upholstery cleaning, water damage & fire restoration, odor control, duct cleaning, safety supplies, and many more. Fibreclean has five branch locations across Canada (Calgary, Edmonton, Saskatoon, Kelowna & Ottawa).

Esteam Cleaning Systems manufactures truckmounts and portable hot water extraction carpet cleaning equipment, chemical cleaning solutions, and complementary accessories for the professional carpet cleaning, restoration, and auto detail industries. Established in 1986, Esteam is located in Calgary, Alberta and services a professional distribution network throughout North America.
